Contact: James M. Byrne, PE
Commissioner

Project Description

Nelson & Pope was retained by the Town of Oyster Bay to prepare conceptual layouts and, ultimately, construction documents for the installation of a synthetic turf, multi-use athletic field. The project also included new perimeter and screening (40 ft. high) fencing and modifications to the existing pedestrian walkways. N&P evaluated the existing park demand/service and alternative sports lighting plans.

Relevant Project Components

- Topographic Survey & Mapping
- Facility Layout
- Grading & Drainage Design
- Irrigation Modifications
- Perimeter & Screening Fencing Layout/Design
- Analysis of Lighting Alternatives
- Shop Drawing Review
- Review of Contractor Payment Requisitions
- Full-Time Construction Observation
- Measurement of Quantities
- Contractor Submittal Review
- Engineering Support During Construction
