Chief Engineer

Project Description

Nelson & Pope provided the Suffolk County Department of Public Works with construction observation and support services to ensure compliance with contract specifications in connection with the reconstruction of the Waverly Avenue/Old Waverly Avenue intersection. The project entailed the construction of a modern roundabout and included drainage modifications; pavement repair & resurfacing; maintenance & protection of traffic; installation of drainage facilities; milling; base repair; asphalt overlay; signage and pavement markings.

Relevant Project Components

- Resident Construction Observation
- Measurement of Quantities
- Materials Testing
- Shop Drawing and Submittal Review
- Review of Contractor Claims for Payment
- Review of Change Orders
- Monitoring of Contract Schedule
- Coordinate with Community, Utilities and Municipal Agencies
